

Dear Parents,

If you would like to buy some school supplies, here is a list of things we use in our kindergarten classrooms. We will collect all the supplies when you come for our August 31st Open House. Then we will use them with everyone in our classes. We are a team in kindergarten and we work together so everyone shares.

In case you are wondering, we have special big kindergarten crayons for everyone!

- .77oz Elmers Glue Sticks – this size works the best
- Classic Crayola Markers – 8 or 10 pack
- Classic Crayola Fine Line Markers - 8 or 10 pack
- Napkins – we use them everyday during snack time
- Tissues – we always need to blow our nose
- Zip-Lock Bags - quarts and gallons
- Box of Band-aids

Don't be afraid to buy more than one of any of these supplies. We can easily store them so they are available when we need them.

Thanks so much for your help,
Susan Olson and Caitlin Ray

Dear Future First Grader,

Greetings! I am very excited to have you in my class next year! I will be counting down the days until school begins. I'm looking forward to you joining me along with all the other first graders in our class.

Listed below are supplies that you can bring to school with you on the first week of school. Please do not put your name on the supplies because some of them will be collected and passed out throughout the year.

- A healthy snack brought everyday
- 2 packs of 24ct. Crayola crayons
- 4 glue sticks
- 1 pack of Crayola markers
- 1 box of Crayola colored pencils
- Ticonderoga #2 pencils
- A box of tissues
- Ziplock bags (quart and/or gallon size)

I hope that you have a wonderful summer. My family is planning a trip to Keene, New Hampshire in July for a family reunion. I'm sure you'll do something fun this vacation too. Can't wait to hear all about it.

Remember to fill in your reading log over the summer. We will be celebrating those that have brought them back.

Looking forward to you joining me on the first day of school, Thursday, August 30th. I will be taking your picture on that day...remember to SMILE!

Sincerely,

Mrs. Ilona DuBois

Dear 2nd Grade Friend,

I hope you have a wonderful summer, filled with all kinds of fun activities. I will be enjoying the beach, gardening, and camping with family. Also, I will be taking some classes to get ready for an exciting new year!

Next year in second grade, we will be learning about topics such as plants, money, and writing our opinion. We will also practice our reading and look at chunks to see how they make many new words.

As we get closer to the start of school, you may be doing some back-to-school shopping. Since we work at team tables, we will be sharing many of our supplies. If you would like to bring some in and share, it will be most helpful. Here are the items we will share as a team:
